

## Re-homing

### Tibetan Mastiff Questionnaire

Re-homing your dog is a difficult experience all the way around so we appreciate that you are asking for help instead of simply turning this Tibetan Mastiff into a shelter. Occasionally wonderful homes are made available by those wishing to adopt dogs so answering the following questions -fully and truthfully- will enable us to do a much better job in locating the best forever home for your Tibetan Mastiff.

1. Are you the rightful owner or guardian of this Tibetan Mastiff?
2. Why have you decided to re-home your dog?
3. Can you tell us a bit about the history of this Tibetan Mastiff? How did you acquire this dog?
4. Have you called the breeder of your Tibetan Mastiff to see if s/he will help you re-home your dog?
5. Has your dog bitten/attacked anyone?
6. If this dog is a stray, have there been attempts to locate the owner or breeder (if known)? Has a veterinarian or shelter worker scanned for an identifying microchip or located a tattoo?

#### Your Tibetan Mastiff

7. Is this Tibetan Mastiff male or female?
8. What color is s/he? Could you send us a couple of photos? Preferably a head-shot and also one of your dog standing.
9. How old is this TM?
10. How much does your Tibetan Mastiff weigh approximately?

## Medical/Health History

11. Is this Tibetan Mastiff spayed/neutered?
12. Some Tibetan Mastiffs have health issues but that does not mean that would preclude them from being placed in a good home. Does your Tibetan Mastiff have any health problems? Does this TM need a special diet? Medications?
13. What brand of food is this dog being fed?
14. When was this dog last vaccinated? Are you willing to surrender the health records for this TM?

## Socialization

15. How does this dog get along with adults and children?
16. How does this dog get along with other dogs?
17. How does this dog get along with other pets?
18. Is this Tibetan Mastiff a house dog or is s/he used to spending time out of doors? Does s/he have good manners inside your home? Is your Tibetan Mastiff housebroken?
19. Has this dog had any formal training?
20. Has this dog been crate trained?
21. Does this TM ride well in cars?
22. Does this Tibetan Mastiff represent a containment problem? Is s/he easy to keep in a dog pen or is your TM an escape artist? Does this Tibetan Mastiff chew through or go over fences? Is s/he a digger? Does your Tibetan Mastiff suffer from separation anxiety when you are not there? Is s/he an excessive barker?
